

Hello BHS New SOPHOMORE CLASS!!!

We are done, so pat yourself on the back, we did it!

For this week's assignment I need you to think back to when we were in class.

Then, shoot me an email stating:

- 1) What you liked best about this class.
- 2) What you least liked.
- 3) Yes or no that you emailed Mrs. Callicot letting her know which CTE class you will be enrolling in and you understand you will have to wish list/ then register with YC (if you have not already done so).
